REQUIREMENTS: One parent or guardian from each home must commit to working during the current semester. All workers are required to fill out a Children’s Workers Disclosure Form (issued from F.A.I.T.H., if they have not already) that must be returned and approved prior to student(s) attending classes. If any worker knows, in advance, that they will not be able to attend classes on a given date, they must let the Director know as soon as possible so that arrangements can be made to fill their working requirements.
